REGISTRATION

PROGRAM

THURSDAY 16TH AND FRIDAY 17TH OF DECEMBER, 2024

3rd Symposium of APPLIED PHYSIOLOGY AND TREATMENT IN ICU AND ANAESTHESIA Nice - France

Dear colleagues,

After our previous 2 meetings and confirmation of the value of providing physiological rationales for clinical analysis and therapeutic decision-making, the Scientific Committee is proposing, for the 3rd Meeting, to «set to music» what has been acquired, based on clinical scenarios. Integrated to this are essential elements, such as inflammation and metabolism, which greatly modify physiological paradigms and therefore therapeutic schemes.

The 3rd meeting will take place in Nice, a jewel of the «Cote d'Azur», on December 16th and 17th, 2024.

The pleasant climate even in December, the friendly tone of the readings and exchanges, and the proximity should maintain the warm ties already forged.

We are looking forward to welcome you before the Christmas 2024.

Kind regards.

Symposium Directors:

Ina Filipović-Grčić , MD (Croatia)
Stefano Romagnoli, MD, PhD (Italy)
Didier Payen, MD, PhD (France)

PROGRAM

THURSDAY 16TH AND FRIDAY 17TH OF DECEMBER, 2024

3rd Symposium of
APPLIED PHYSIOLOGY AND TREATMENT IN ICU AND ANAESTHESIA
Nice - France

SCIENTIFIC COMMITTEE

Ina Filipović-Grčić

Consultant in Anaesthesiology,
Resuscitation and Intensive Care
University Hospital Centre
Split, Croatia

Stefano Romagnoli

Full Professor of Anaesthesia and
Critical Care,
University of Florence,
Head of Department of
Anaesthesia and Critical Care,
Careggi University Hospital,
Florence, Italy

Didier Payen

Emeritus Professor of
Anaesthesiology and
Intensive Care,
Co-founder of ESICM and ESA,
University of Paris, Cité, Sorbonne,
France

ORGANISING COMMITTEE

Ina Filipović-Grčić, Stefano Romagnoli, Didier Payen, CLEF formation

FACULTY

Gabriele Baldini

3rd Symposium of
**APPLIED PHYSIOLOGY
AND TREATMENT IN
ICU AND ANAESTHESIA**

16th - 17th of December, 2024.
Nice, France

POSTER INSTRUCTIONS 2024

The SC will select 15 posters for presentation at the symposium.

The deadline to be submitted was fixed at the 1st October 1, 2024.

The selection will be communicated by mail the 7th of October 2024.

The poster will be presented during the Symposium, with an award for the “best” one, giving the possibility to the winner to participate free of charge to the next Symposium. The jury in charge of selecting the award poster consist in three members of the Scientific Committee.

POSTER INSTRUCTIONS

- No electronic material will be provided
- The size for the poster fits to the format A0: 80 cm large x 110 heights
- The posters have to be displayed during all meeting

PROGRAM

THURSDAY 16TH AND FRIDAY 17TH OF DECEMBER, 2024

3rd Symposium of
APPLIED PHYSIOLOGY AND TREATMENT IN ICU AND ANAESTHESIA
Nice - France

MONDAY, DECEMBER 16TH

08h00 - 08h40

**Registration
& Welcome coffee**

08h40 - 09h00

Welcome and Opening :

Ina Filipović-Grčić, Stefano Romagnoli,
Didier Payen and City Hall and Department
Representatives

SESSION 1 - 9.00 - 12.10

CARDIOVASCULAR AND RESPIRATORY FEEDBACK Chairs : Olfa Hamzaoui & Stefano Romagnoli

9.00 - 9.20	Fluid or pressors for this clinical case ?	<i>Maurizio Cecconi</i>
9.20 - 9.40	Pressors: are there alternatives for norepinephrine? Case scenario	<i>Olfa Hamzaoui</i>
9.40 - 10.00	Left ventricular failure : Pressors? Inotropes? Fluid control? Afterload control? Case scenario	<i>Luigi Vetrugno</i>
10.00 - 10.20	Right ventricular dysfunction: How to assess? How to control it? Role of fluid/pressure overload or myocardial dysfunction/ischemia? Case scenario	<i>Luigi Vetrugno</i>
10.20 - 10.40	Discussion	
10h40 - 11h10 Coffee break and poster's area visit: 5 posters discussion		
11.10 - 11.30	Ventilation: are the goals based on PaO ₂ , PaCO ₂ , lung protection? Case scenario	<i>Mattia Busana</i>
11.30 - 11.50	Should the lung being ventilated or put at rest with ECMO?	<i>Mattia Busana</i>
11.50 - 12.10	Discussion	

12h10 - 13h30 | Lunch break

SESSION 2 - 13.30 - 14.50

ANAESTHESIA IS ALWAYS A CHALLENGE Chairs : Ina Filipović-Grčić & Maurizio Cecconi

13.30 - 13.50	Being an anaesthesiologist-intensivist: art of compromise!	<i>Maurizio Cecconi</i>
13.50 - 14.10	Prehabilitation and anaesthesia choice in cancer surgery: strategy to implement. Case scenario	<i>Gabriele Baldini</i>
14.10 - 14.30	Intra-operative & Perioperative hypotension: how to revert the patients haemodynamic profile. Case scenario	<i>Hrvoje Vučemilović</i>
14.30 - 14.50	Discussion	

PROGRAM

THURSDAY 16TH AND FRIDAY 17TH OF DECEMBER, 2024

3rd Symposium of
APPLIED PHYSIOLOGY AND TREATMENT IN ICU AND ANAESTHESIA
Nice - France

SESSION 3 - 14.50 - 16.10

KIDNEY DAMAGE ALARMS Chairs: Stefano Romagnoli & Didier Payen

14.50 - 15.10	Kidney failure: inflammatory patterns and therapeutic perspectives. Case scenario	<i>Gabriella Bottari</i>
15.10 - 15.30	Urine quantity and quality: looking into the urine might help to understand	<i>Stefano Romagnoli</i>
15.30 - 15.50	CRRT: what would I clear and what would I lose?	<i>Zaccaria Ricci</i>
15.50 - 16.10	Discussion	

16.10-16.40 | Coffee break and poster's area visit: 5 posters discussion

SESSION 4 - 16.40 - 18.20

WHAT ABOUT THE BRAIN AND NERVES? Chairs : Anne-Claire Lukaszewicz & Zaccaria Ricci

16.40 - 17.00	„The brain is the guy we do not speak much”	<i>Stefano Romagnoli</i>
17.00 - 17.20	Cerebral perfusion: autoregulation good or lost: Case scenario	<i>Frank Rasulo</i>
17.20 - 17.40	EEG for anaesthesiologists: is processed EEG only a number to appraise?	<i>Zaccaria Ricci</i>
17.40 - 18.00	Neuro-inflammation: let me understand what we are talking about and why	<i>Anne-Claire Lukaszewicz</i>
18.00 - 18.20	Discussion	

END OF DAY ONE

PROGRAM

THURSDAY 16TH AND FRIDAY 17TH OF DECEMBER, 2024

3rd Symposium of
APPLIED PHYSIOLOGY AND TREATMENT IN ICU AND ANAESTHESIA
Nice - France

MONDAY, DECEMBER 17TH

08h30 - 09h00 | Registration & Welcome coffee

SESSION 5 - 9.00 - 10.40

INFLAMMATION STILL BEHIND THE CORNER Chairs : Anne-Claire Lukaszewicz & Didier Payen

9.00 - 9.20	What are the differences between paediatrics and adults ? Sepsis a good example	<i>Cabriella Bottari</i>
9.20 - 9.40	Inflammation: should it be therapeutically reduced, stimulated or naturally responding?	<i>Didier Payen</i>
9.40 - 10.00	The post-aggressive immunodepression: myth or reality ?	<i>Guillaume Monneret</i>
10.00 - 10.20	How to assess immune status in our practice ?	<i>Guillaume Monneret</i>
10.20 - 10.40	Discussion	

10h40 - 11h10 | Coffee break and poster's area visit: 5 posters discussion

SESSION 6 - 11.10 - 12.50

COULD WE DO BETTER ? Chairs : Massimo Girardis & Michel Carles

11.10 - 11.30	Gut and liver failure: fecal transplantation in ICU patients: is it realistic?	<i>Ina Filipović-Grčić</i>
11.30 - 11.50	The blood purification methods: state of the art	<i>Thomas Rimmelé</i>
11.50 - 12.10	Metabolic views of inflammation: is it useful for clinician ?	<i>Didier Payen</i>
12.10 - 12.30	Report of usefulness of COVID-19 vaccination: efficiency, side effects, other concerns	<i>Michel Carles</i>
12.30 - 12.50	Discussion	

12.50-13.50 | Lunch break

SESSION 7 - 13.50 - 15.10

THE JOURNEY THAT CONTINUES Chairs : Elena Giovanna Bignami & Guillaume Monneret

13.50 - 14.10	AI: methods and comprehensive tools	<i>Elena Giovanna Bignami</i>
14.10 - 14.30	The positioning of AI in the world of anaesthesia & intensive care	<i>Elena Giovanna Bignami</i>
14.30 - 14.50	How the genetics may help intensivists?	<i>Massimo Girardis</i>
14.50 - 15.10	Discussion	

15.10 - 15.30 POSTER AWARD WINNER. CLOSING REMARKS.

PROGRAM

THURSDAY 16TH AND FRIDAY 17TH OF DECEMBER, 2024

**3rd Symposium of
APPLIED PHYSIOLOGY AND TREATMENT IN ICU AND ANAESTHESIA
Nice - France**

EDUCATIONAL SHEET

LEARNING OBJECTIVES

Evidence for a benefit to use physiological rationale to clinical analyses and therapeutic strategies

METHODS

- Presential
- Teaching based on clinical scenario
- Exchange with participants
- Participants evaluation

TIMING - 2 DAYS

Monday Dec. 16th from 9:00 to 18:20
Tuesday Dec. 17th from 9:00 to 15:30

AUDIENCE

- Anaesthesiologists, Intensivists, Emergency Physicians, Infectious Disease specialists.
- Healthcare professionals and people interested in physiological reasoning for clinical analysis and therapeutic decision-making.

Official language of the Symposium : English

CME CREDITS

Accreditation request has been submitted to UEMS EACCME for CME credits

ENDORSEMENTS

Endorsements requests have been sent to ESICM and ESAIC

COMPLIANCE

Compliance request has been sent to the MedTech Europe Code of Ethical Business Practice

REGISTRATION

Registration fees

ESICM and/or ESA members.....200 €

Non members.....250€

**Registration for Symposium is open
by e-mail: formation@le-clef.fr
or by website : le-clef.fr**

During registration active ESICM or ESAIC members will be required to upload a document proving their status.

Registration fee should be paid by December 10th, 2024. No refund is due for later cancellations. Please be aware of any possible scams when providing any personal data or making any payments online and use only details for registration you will receive when contacting us.

We will not ask from you any details about your credit card.
